This is a special meeting scheduled to discuss accountability, care and conduct

Monthly meetings, 5:30 - 7:15

July 8

August 12

## Reopening the center

Date not yet set.

All programs will require registration

Maximum capacity, 16-20

A training will be scheduled for leaders interested in hosting in-house programs

## Staffing change

Janel will be leaving at the end of the month, as the period covered by the donation for this position has ended.

We are grateful for the generosity of the donors, and for the work Janel has been able to accomplish in this time period.

Her primary responsibilities were in the area of communication - community emails and social media posts. This work will fall back to Max unless there are volunteers interested in assisting in this area.

Max will send the community a summary of this work and seek anyone with the skill and interest to help.

## Anti-racism

The first community meeting to discuss how to address structural racism and white privilege was held on Saturday afternoon, June 6. A second one is scheduled for Thursday evening, June 11.

Next steps will then be determined.
